

Ronin is participating in Hacktoberfest 2023!

2023-09-26 — postmodern

Ronin is participating in [Hacktoberfest 2023](#)! Hacktoberfest is DigitalOcean's annual online event during the month of October, which encourages people to contribute to Open Source projects that choose to participate in Hacktoberfest.

In addition to the [Digital Rewards](#) that Hacktoberfest is offering to participants, Ronin is also offering [free stickers](#) to those who successfully submit a PR to [Ronin](#) and get it accepted.

If you wish to participate in Hacktoberfest 2023 by contributing to [Ronin](#), here is what you need to do:

1. [Register for Hacktoberfest 2023](#)
2. Join the [Ronin Discord](#).
3. Take a look at [Ronin's issues](#), particularly issues tagged with the [help-wanted](#) or [good-first-issue](#) labels.
4. Try working on an issue.
5. Submit a PR.

Hacktoberfest officially starts on **September 26** and officially ends on **October 31st**.

If Ronin interests you or you like the work we do, consider donating to Ronin on [GitHub](#), [Patreon](#), or [Open Collective](#) so we can continue building high-quality free and Open Source security tools and Ruby libraries.
